Tulip Fever

with Deborah Moggach

A second chance to see *Tulip Fever*, the film based on the very successful book by Deborah Moggach. Deborah will also reprise her talk about the trials and tribulations of turning the book into this film. A story of coincidence and misfortune, studio manipulation and prevarication, Deborah's account gives a fascinating insight into the workings of the movie industry. Don't miss it!

Friday 13 April

7:30pm

Assembly Rooms, Presteigne

Admission £10 on the door or buy online via our website
